Las Vegas PHP User Group

LVphp

Sponsoring our User Group for 6 months costs $75. It's one of the best ways to get your company exposure to Las Vegas PHP Developers and the community! If your company is in the IT arena or is interested in connecting with local developers then our meetings are the perfect way to reach them!

Please make check payable to:

+ Looking to sponsor our awesome group?

- We pitch your company at the end of each meeting with a blurb about you.
- Your website and brand logo will appear on the official Meetup.com page
- Backlinks are also provided on our user groups website at LVPHP.org
- Any openings for PHP developers or IT can be pitched to our users.

To become a sponsor please email Josh@PsyCode.org with a reasonably short pitch we can give at the end of the meeting, along with a company logo & website url. Mail or hand deliver cash or check made out to Joshua Copeland and we will lock in your spot as a sponsor of our epic PHP User Group. Let me know if you have any questions.
